Fund overview

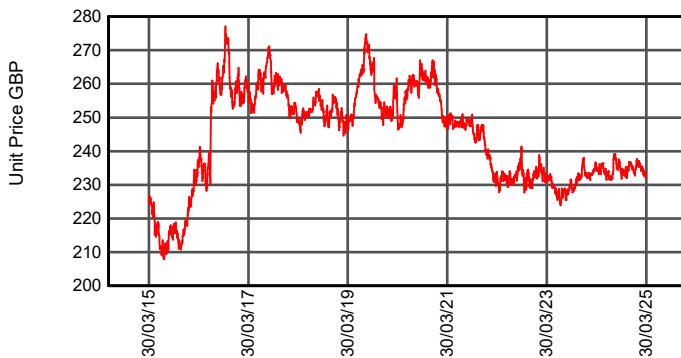

The International Bond Fund aims to maximise returns by, in the most part, investing in a diversified portfolio of International Debt Securities. The Fund will invest most of its assets in debt securities issued by Supranational Organisations, international governments, quasi-governments, agencies and corporates. The Fund may also invest in, among other things, Money-Market Instruments, Collective Investment Schemes and deposits with banks. The Fund may invest in developed, emerging and frontier markets and is not expected to have any particular geographical focus. The Fund may also hold positions in non-investment grade rated securities or unrated securities. The Fund is actively managed by experienced fund managers combining HSBC's international expertise with its local knowledge of the Maltese market. The Fund is daily dealing and offers an income class of shares in GBP, subject to an initial minimum investment/minimum holding of the equivalent of €4,500 in GBP. The income class of shares of the Fund aims to provide investors with regular dividend payments. The frequency of payments is not guaranteed and may vary from time to time. The base currency of the Fund is the Euro and its currency of expression is the British Sterling.
